If you find yourself being drawn to unhealthy options, consider some easy swaps:

Swap white bread with lavash or sprouted bread

Swap red meat for

white meat

Swap white potatoes for sweet potatoes, which have a lower effect on blood sugar

Swap white rice for cauliflower rice

Swap regular spaghetti for quinoa spaghetti, chickpea pasta, almond pasta, bean pasta, or lentil pasta

Swap fries for a salad

Swap fried eggs for poached or scrambled eggs

Swap soda for water

Swap white bread for wheat bread in a sandwich—or even better—a lettuce wrap
